BIOGRAPHY

Mr. Adul Vonasorn was born on January 1, 1947 in Bangkok, Thailand. He graduated with a Bachelor of Business Administration from Sukhothai Thammathirat University. After that, he received his Master of Science in Renewable Energy from School of Renewable Energy Technology, Naresuan University. He pursued his Degree of Doctor of Philosophy in Community Economy and Technology Development, Chiang Mai Rajabhat University in 2014.
