

## TABLE OF CONTENTS

	Page
<b>ABSTRACT (ENGLISH)</b> .....	ii
<b>ABSTRACT (THAI)</b> .....	vii
<b>ACKNOWLEDGEMENTS</b> .....	x
<b>TABLE OF CONTENTS</b> .....	xi
<b>LIST OF TABLES</b> .....	xvi
<b>LIST OF FIGURES</b> .....	xix
<b>CHAPTER 1 Introduction</b> .....	1
Background and significance of the problem.....	1
Research Objectives.....	5
Research questions.....	5
Research scopes.....	6
Definition of terms.....	7
Methodology.....	9
Expected outcomes.....	9
<b>CHAPTER 2 Literature Review</b> .....	11
The development of ICT at a community level in Thailand.....	12
General Information of Mae Tao River Basin.....	21
Data and data management.....	39
Information system and community information system.....	41
System development.....	43
Information technology service management.....	49

## TABLE OF CONTENTS (CONTINUED)

	Page
Citizen involvement.....	56
Data privacy and personal data protection.....	59
Literature review.....	61
<b>CHAPTER 3 Research Methodology.....</b>	<b>71</b>
Research Framework.....	71
Study of community data usage requirement.....	74
1. Population and sample group.....	74
2. Data and data source.....	76
3. Research instrument and procedure.....	78
4. Data analysis.....	79
Development of community data management system prototype.....	80
1. Population and sample group.....	80
2. Data and data source.....	81
3. Research instrument and procedure.....	82
4. Data analysis.....	84
A model of community data system management process by digital community center and citizen involvement.....	84
1. Population and sample group.....	85
2. Data and data source.....	86
3. Research instrument and procedure.....	86
4. Data analysis.....	87

## TABLE OF CONTENTS (CONTINUED)

	Page
<b>CHAPTER 4 Results and Discussion</b> .....	<b>88</b>
Results.....	88
1. The community data usage requirement of community data working groups.....	89
2. The community data usage requirement of representative sample of population in Mae Ku subdistrict and Phra That Pha Daeng subdistrict.....	97
3. Data selection for the data management system development process	112
4. The results of the focus group to collect data and determine data provider.....	115
5. Features of the community data management system.....	124
6. The design of the community data management system.....	124
7. The results of discussion of as focus group on the readiness of the digital community centers for providing services to the public.....	134
8. Development of the community data management system.....	142
9. The model of community data system management process by digital community center and citizen involvement.....	155
Discussion .....	169
<b>CHAPTER 5 Conclusion and Suggestion</b> .....	<b>175</b>
Conclusion .....	175
1. Community data usage requirement.....	175

## TABLE OF CONTENTS (CONTINUED)

	Page
2. Data selection for the data management system development process.....	176
3. Existing data and data source.....	177
4. Community data management system and IT infrastructure supporter.....	177
5. The model of community data system management process by digital community center and citizen involvement.....	179
Suggestion .....	180
Research Contribution.....	181
<b>REFERENCES</b> .....	<b>182</b>
<b>APPENDICES</b> .....	<b>189</b>
Appendix A Community Data List.....	190
Appendix B CDWG's data usage requirement questionnaire.....	198
Appendix C Community citizen's data usage requirement questionnaire.....	204
Appendix D Focus group Topic: Data selection for community data management system development.....	211
Appendix E Focus group Topic: Gathering data and identify data supporter.....	212
Appendix F Focus group Topic: Defining a feature of community data management system.....	213

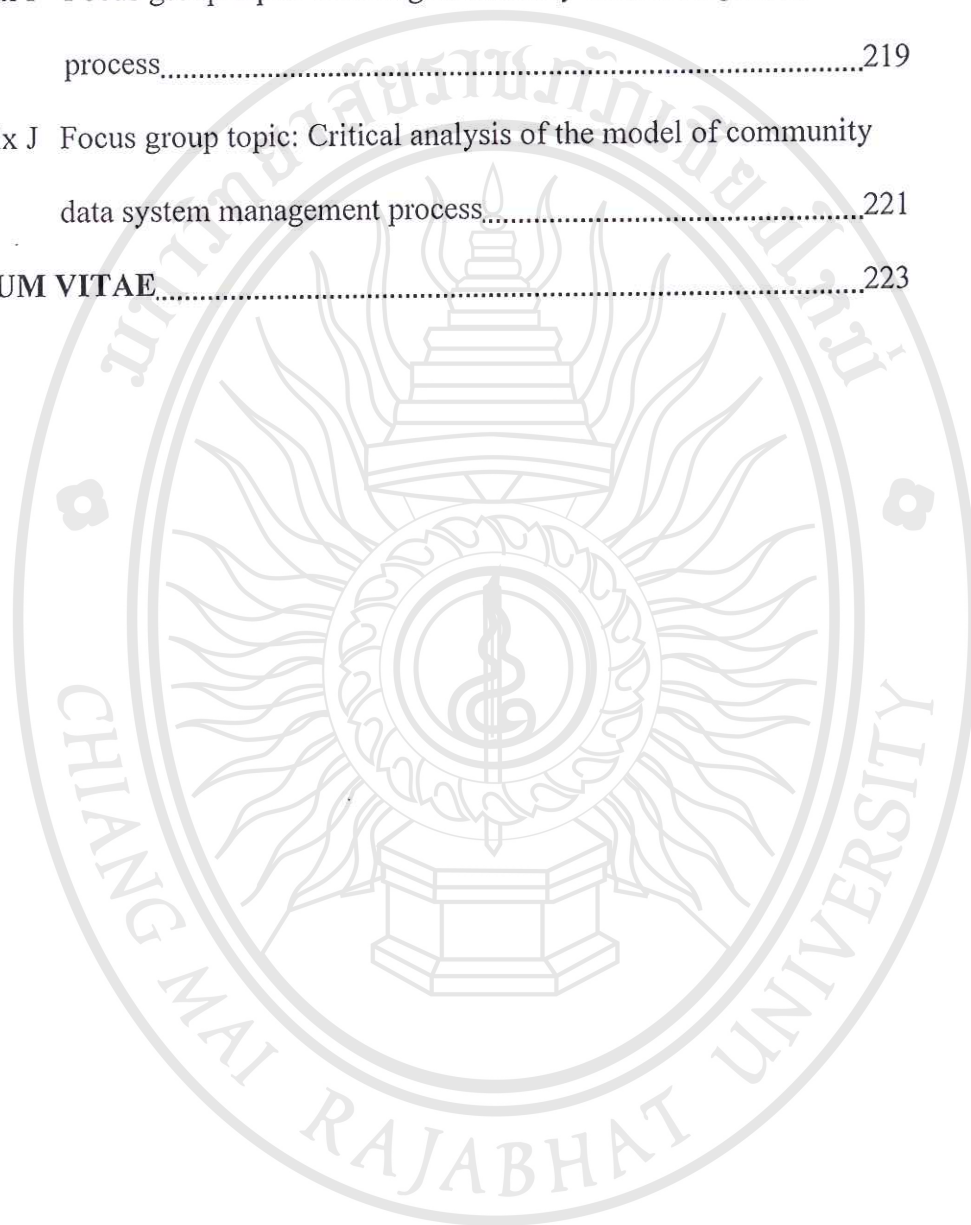

Appendix G Focus group topic: Identifying an IT infrastructure supporter .214

Appendix H Community data management system user satisfaction  
evaluation form .....215

Appendix I Focus group topic: Defining community data management  
process.....219

Appendix J Focus group topic: Critical analysis of the model of community  
data system management process.....221

**CURRICULUM VITAE.....223**

## LIST OF TABLES

		Page
Table 2.1	Population and household numbers in Mae Ku Municipal area.....	24
Table 2.2	Population and household numbers in Phra That Pha Daeng subdistrict.....	26
Table 3.1	The sample size of general user in each subdistrict.....	76
Table 3.2	The absolute criteria used for evaluate the level of the community data usage requirement.....	80
Table 3.3	The absolute criteria used for evaluate the level of user's satisfaction.....	84
Table 4.1	Members of the community data working groups classified by sex.....	90
Table 4.2	Members of the community data working groups classified by age.....	90
Table 4.3	Members of the community data working groups classified by education level.....	91
Table 4.4	Members of the community data working groups classified by professions.....	92
Table 4.5	The level of community data usage requirement of community data working groups.....	93
Table 4.6	Representative sample of the population in Mae Ku and Phra That Pha Daeng subdistrict classified by sex.....	99
Table 4.7	Representative sample of the population in Mae Ku and Phra That Pha Daeng subdistrict classified by age.....	99
Table 4.8	Representative sample of the population in Mae Ku and Phra That Pha Daeng subdistrict classified by education level	100

## LIST OF TABLES (CONTINUED)
